To ensure our guests enjoy some of the best fishing adventure in the world, we only operate our resort when the fishing conditions are at their prime, generally between May and September.

With limited calendar, space at QCL generally fills quickly. Most of our guests plan their return trips as they are leaving the Lodge, book their trips tentatively, and call us to confirm shortly thereafter.

To help you plan for 2027, here are the Dates and Rates schedule for next summer.

Several years ago, we introduced direct flights to Masset, Haida Gwaii, from locations other than Vancouver, particularly Alberta. It's a good fit for many so we will be continuing Alberta direct flights for 2027.

For 2027, in addition to our Vancouver flight, we are planning direct flights to Masset and QCL on the following dates:
